JURY QUESTIONNAIRE

This questionnaire is designed to obtain information about your background as it relates to your possible service as a juror in this case. Its use may avoid the necessity of asking these questions of each prospective juror in open court, thereby substantially shortening the jury selection process. The purpose of these questions is to determine whether prospective jurors can impartially decide this case based upon the evidence presented at trial and the instructions on the law given by the judge. The questions are not intended to inquire unnecessarily into personal matters. All information contained in this questionnaire will be kept confidential and under seal.

Respond to each question as fully and completely as possible. Your complete candor and honesty is necessary so that both the prosecution and the defense will have a meaningful opportunity to select an impartial jury. Your cooperation is of vital importance.

You are sworn to give true and complete answers and those answers will be available only to the Court and the parties in this case. The questionnaires belong to the Court and all copies will be returned to the Court once a juror is excused. You are instructed not to discuss this case or the questionnaire with anyone, including your family and fellow jurors.

If you require additional space for your responses, or wish to make further comments regarding any of your answers, please use the Explanation Sheet (on the next to last page). Put the number of the question you are answering on the Explanation Sheet before you write the response or comment.

Please keep in mind that there are no “right” or “wrong” answers, only complete and incomplete answers. Complete answers are far more helpful than incomplete answers.

Juror #: _____

Unless the question states otherwise, the fact that a particular question is asked does not imply that the subject matter of the question is an issue in this case. As you read the questions, you are not to draw any inferences about the issues to be decided in this case.

Please fill out the entire questionnaire. Do not leave any questions blank. If a question does not apply to you in any way, write "N/A" rather than leaving the form blank.
